location ~~shown~~^{written} is same as map of "Winona Mine" microfilm doc. 351097 reel 03134 frame 211, - undated map

location on diagram does not match footage locations written to right of diagram.

address of office on Mascoutah road matches mine in section 27

note says purchased from Patterson-Harding in 1922 but production under Patterson Harding till 1925

older writing that drew the mine location in the grid says north section line is railroad; not true and never was for 1N-8W-20.

upshot is - Winona mine is at this location.

ownership unknown & name operated unknown & years operated unknown, 1874 Atlas St. Clair county shows mine here. No production listed in coal report for Winona Mine.
