

These mine notes were put in by J. Day. Location is estimated from that of Ruerton, #1 (9-16N-4W B2) and knowing this mine is 1 mi. N. of there. Possibly this mine is the same as Jhm. Rutledge's mine, but its questionable. If separate, the mines are very close for that mine is in 4 ~~00~~ D1. See also Mc Bee.

Phoenix C.C. (Fuel Co)  
(Ruerton, #2)

Folio-158 shows mine at location → in Spaulding REC 2-4-60
